

Privacy Policy

The purpose of this document (hereinafter "Privacy Policy") is to inform Users about personal data, understood as any information that allows the identification of a natural person (hereinafter the "Personal Data"), collected by the **www.corterchele.it website** (hereinafter "Application").

The Data Controller, as subsequently identified, may amend or simply update, in whole or in part, this Policy by informing Users thereof. Changes and updates will be binding as soon as they are published on the Application. The User is therefore invited to read the Privacy Policy each time the Application is accessed.

In the event of non-acceptance of the changes made to the Privacy Policy, the User is required to cease using this Application and may request the Data Controller to remove their Personal Data.

1. Personal Data collected by the Application

- The Data Controller collects the following types of Personal Data:
- Uniform Resource Identifier) of the requested resources, the time of the request, the method used to submit the request to the server, Data and content acquired automatically during the use of the Application:
- Technical data: the computer systems and software procedures used to operate this Application may acquire, during their normal operation, some Personal Data whose transmission is implicit in the use of internet communication protocols. This is information that is not collected to be associated with identified Users, but by its very nature, could, through processing and association with Data held by third parties, allow Users to be identified. This category includes IP addresses, or domain names used by Users who connect to the Application, addresses in URI notation (the size of the file obtained, etc. Personal data collected through cookies or similar technologies:
- Cookies are not used for the transmission of personal information, nor are persistent cookies of any kind used, i.e. systems for tracking Users. Therefore, the Application does not acquire the Personal Data of Users with these technologies.
- The use of session cookies (which are not stored persistently on the User's computer and disappear when the browser is closed) is strictly limited to the transmission of session identifiers (consisting of random numbers generated by the server) necessary to allow the safe and efficient exploration of the Application.
- The session cookies used in this Application avoid the use of other computer techniques that may be detrimental to the confidentiality of the Users' browsing and do not allow the acquisition of Personal Data identifying the User.

2. Purpose

- The Personal Data collected may be used for the execution of contractual and pre-contractual obligations and for legal obligations as well as for the following purposes:
- Support and contact with the User: to respond to the User's requests and help them in case of problems.

3. Processing methods

- The processing of Personal Data is carried out using IT and/or telematic tools, with organizational methods and logics strictly related to the purposes indicated.
- In some cases, Personal Data may also be accessed by subjects involved in the Data Controller's organization (such as, for example, personnel management staff, commercial area employees, system administrators, etc.) or external parties (such as IT companies, service providers, postal couriers, hosting providers, etc.). These subjects, if necessary, may be appointed as Data Processors by the Data Controller, as well as access the Users' Personal Data whenever necessary and will be contractually obliged to keep the Personal Data confidential.
- The updated list of Data Processors can be requested by e-mail at maxdipersio@outlook.com.

4. Legal basis of the processing

- The processing of Personal Data relating to the User is based on the following legal bases:
- the consent given by the User for one or more specific purposes; either the processing is necessary for the performance of a contract with the User and/or the execution of pre-contractual measures or the processing is necessary to comply with a legal obligation to which the Data Controller is subject

- the processing is necessary for the performance of a task carried out in the public interest or for the exercise of official authority vested in the Data Controller or the processing is necessary for the pursuit of the legitimate interest of the Data Controller or of third parties
- the processing is necessary for the pursuit of a vital interest of the Data Controller or of third parties.
- However, it is always possible to request the Data Controller to clarify the legal basis of each processing at the address maxdipersio@outlook.com.

5. Place

- Personal Data are processed at the Data Controller's operational offices and in any other place where the parties involved in the processing are located. For further information, please contact the Data Controller at the following e-mail address maxdipersio@outlook.com or at the following postal address Via Magnalupo 28, 46014 Mantova Italy.

6. Security Precautions

- The Processing is carried out in a manner and with tools suitable for guaranteeing the security and confidentiality of the Personal Data, as the Data Controller has adopted adequate technical and organisational measures that guarantee, and make it possible to demonstrate, that the Processing is carried out in compliance with the relevant legislation.

7. Data retention period

- Personal Data will be stored for the period of time necessary to fulfil the purposes for which they were collected.
- In particular, Personal Data will be stored for the entire duration of the contractual relationship, for the execution of the obligations inherent and consequent to the same, for compliance with the applicable legal and regulatory obligations, as well as for its own or third parties' defense purposes.
- If the processing of Personal Data is based on the User's consent, the Data Controller may retain the Personal Data until the withdrawal of consent.
- Personal Data may be retained for a longer period if it is necessary to comply with a legal obligation or by order of an authority.
- All Personal Data will be deleted or stored in a form that does not allow the identification of the User within 30 days after the end of the retention period. At the end of this term, the right of access, cancellation, rectification and the right to portability of Personal Data can no longer be exercised.

8. Automated decision-making

- All Personal Data collected will not be subject to any automated decision-making, including profiling, which may produce legal effects for the individual or that may significantly affect him.

9. Your Rights

- Users may exercise certain rights with reference to the Personal Data processed by the Data Controller. In particular, the User has the right to:
 - withdraw consent at any time; ◦ object to the processing of their Personal Data; ◦ access their Personal Data; ◦ verify and request rectification; ◦ obtain the limitation of processing; ◦ obtain the erasure of your Personal Data; ◦ receive your Personal Data or have them transferred to another controller; ◦ lodge a complaint with the Personal Data Protection Supervisory Authority and/or take legal action.
- To exercise their rights, Users may send a request to the contact details of the Data Controller indicated in this document. Requests are made free of charge and processed by the Data Controller as soon as possible, in any case within 30 days.

10. Data Controller

- The Data Controller is Massimiliano Di Persio, Via Magnalupo 28 46014 Mantua, Tax Code DPRMSM66C06H501X, e-mail address maxdipersio@outlook.com, telephone 3408576912
